

PRAIRIE DOGS, WHITETAIL AND ELK HAVE A LOT IN COMMON.  
THEY CAN ALL BE HUNTED WITH THE SAME RIFLE.

### THE BLASER R93 HUNTING SYSTEM

No matter what you want to hunt, Blaser can take it down quickly and accurately. Only the R93 is more like a hunting system than a single rifle. Interchangeable barrels, bolt heads and bolts give you the versatility of over 20 caliber configurations and let you fine tune your Blaser to your own specifications. Quickly and easily. Unique free-floating barrel design, barrel-mounted scopes and the Blaser R93's revolutionary straight-pull bolt mean truer, quicker aim from shot to shot. For the location of your nearest dealer, call (603) 772-2302. Or visit [www.sigarms.com](http://www.sigarms.com).

ONE RIFLE. MANY ADVENTURES.

R93 LUXUS • R93 PRESTIGE • R93 SYNTHETIC • R93 ATTACHÉ • K95 LUXUS • K95 PRESTIGE • LRS2  
*Blaser comes in models and configurations for any hunter. The original R93 line is the ultimate bolt-action rifle capable of firing off 3 rounds quickly and accurately. The K95 line presents the supreme challenge for the master hunter – it is the epitome of the single-shot, break-action, takedown hunting rifle. Hunters, choose your system.*
