It takes a woman to know a woman...and her specific health care concerns, options, and treatment.

*Meet the all female physicians and staff of Women's Health Associates.*

FOR YOUR  
PEACE OF MIND,  
WE ACCEPT  
ANTHEM AND ALL  
INSURANCES.

## Women's Health Associates

Obstetrics & Gynecology

There's never been a better time to get to know the physicians, staff, and services of Women's Health Associates. We're here for every stage of your life, from prenatal planning and delivering your baby to specialized care for your post menopausal years. Our Board Certified physicians provide a unique combination of comprehensive, personalized care along with the latest, most advanced procedures, done right in our offices for your comfort and convenience.

We are open for regular appointments, Monday through Friday, from 8:30am to 4:30pm. Once you've selected a physician, you can rest assured you'll always be treated by the doctor who knows you and your history.

In addition to routine obstetrics and gynecology examinations, some of the advanced procedures we perform in our offices include:

- ◆ Essure, non-incisional permanent birth control, and Novasure, endometrial ablation for the treatment of heavy bleeding.
- ◆ Ultrasounds, read by a qualified Portsmouth Regional Hospital specialist right here in our office.
- ◆ Biopsy, Colposcopy, LEEP (loop electrosurgical excision procedure) and Hysteroscopy procedures.

FOR THE MOST COMPREHENSIVE, INDIVIDUALIZED WOMEN'S CARE IN THE SEACOAST,  
THE TIME IS RIGHT TO CHOOSE WOMEN'S HEALTH ASSOCIATES.
